R20-RTR

FEATURES

- Designed for Roll-to-Roll Applications
- Fast Curing
- Optimised for LED UV Lamps
- Good Media Adhesion
- High Density Colour
- Supported by NUTec Digital's Ink Delivery System (IDS) Warranty

OVERVIEW

Ruby R20-RTR is a premium quality, fast curing roll-to-roll UV ink, designed for a wide range of flexible applications.

The Ruby R20-RTR is a high density colour ink that is optimised for LED UV lamps.

This formulation features a superior colour gamut for bright, vivid images.

Provided the inks are used in regular applications, using suitable substrates, the printed images will not fade unduly for up to 24 months.
