OVERVIEW

Topaz T15-RG is an optimised, premium quality, mild solvent ink, designed for use in Ricoh Gen 5 print heads, as used in printers such as Mimaki SWJ.

This low-smell formulation renders great image quality with a high gloss finish and is ideal for backlit printing.

This ink features excellent press stability, ensuring uninterrupted printing for extended periods, with low maintenance requirements.

Provided the inks are used in regular applications, using suitable substrates, the printed images will last for up to two years.
